## Want to go off the beaten track with your company?

Our tour guides will show you places where museum visitors may not venture. Do not forget to close the doors of our antique carriages if you are the last to leave.. The Railway Museum would be pleased to host your meeting for 5 or more people, with a minimum hall rent of €625 excluding VAT. The overview on the next page lists price quotes for each room.

Standard prices will apply up to 200 people. We will draw up a tailor-made offer for larger groups or for meetings held in multiple rooms.

In addition to the use of the room that you hired, you may also visit the museum free of charge within opening hours at your own convenience. We can offer guided tours as well (within and outside opening hours), which take about 1 hour and which cost €68.81 excluding VAT (20 guests per tour).

The use of AV equipment has been integrated into our rooms and a member of the museum staff will always be on hand during your event to help you connect your laptop. Wi-Fi is available free of charge. If you require technical support for an event that you are organising, our established technology supplier ACS audiovisual can take care of all your wishes.

Our 200 parking spaces are available via a parking pass which costs €7.85 excluding VAT and which is settled through subsequent costing. You may also take the shuttle train from Utrecht Centraal railway station and alight at our own Maliebaan station within the museum's opening hours. The timetable can be found in the NS journey planner.
